Education

Ramdeobaba University

B.Tech in Electronics and Computer Science (CGPA: **9.01**)

Nagpur, India

08/2024 – Present

Skills

Languages: C, Java, HTML, CSS, JavaScript, Python, ES6

Libraries & Frameworks: React, Next.js, Node.js, Express.js, Tailwind CSS, Bootstrap, Framer

Design & Tools: Figma, Canva, GitHub, VS Code, Vercel, Netlify

Hardware & IoT: ESP32, Arduino UNO, Sensor Integration (APDS9960, pH, Turbidity, TDS)

Projects

Swasthya AI — Health Data Analysis Tool

- Developed a diagnostic platform using **Python and ML** for early disease risk detection; built as an **SIH** initiative.

Kairos (MYOSA) — AI-Powered Touchless Interaction Hub

- Engineered an AI-driven gesture control system using **ESP32** and 6-axis motion tracking for touchless interaction.
- Integrated **APDS9960 sensors** for precise proximity/gesture sensing, optimizing low-latency signal processing.

Aura Guide — AI-Based Smart Earbuds for the Visually Impaired

- Developed AI-powered smart earbuds to assist visually impaired individuals in navigation through audio feedback.
- Led the project to secure **1st Place** at the **RBU-Nagpur IDEATHON**.

Multi-Parameter Water Quality Tester — IoT Healthcare

- Designed an IoT device using **Arduino UNO** to monitor pH, turbidity, and TDS; recognized as a **Top Performer** at ABV-IIITM Gwalior and ranked in **Top 30** at IEEE Pune.

Internship Experience

Frontend Developer Intern — Godaeon Gaming Studio

Dec 2025 – Feb 2026

- Built the complete frontend for a gaming startup using **React and Next.js** for high-performance interfaces.
- Developed responsive UI components and collaborated with designers to translate ideas into code.

Frontend Developer Intern — FINED

Dec 2025 – Feb 2026

- Engineered an interactive chatbox interface for a finance platform; focused on clean **UI/UX** for young learners.

Leadership & Clubs

Executive Member — TCB (The CodeBreakers)

Coding Club

- Contributing to technical workshops and hackathons; mentoring juniors in web development fundamentals.

Team Member — Media Expression

Official Media Team

- Responsible for media coverage of major college events, documenting initiatives through digital platforms.

Achievements

- 1st Place:** Ideathon Competition at RBU-Nagpur for the Aura Guide project.
- Merit Scholarship:** Awarded for maintaining consistent Academic Excellence at Ramdeobaba University.
- Certification:** Successfully completed the Canva Design Bootcamp.
